**TO:** Planning Commission Ordinance Committee  
**FROM:** Scott Gustin  
**DATE:** April 7, 2016  
**RE:** Home daycares

---

Maggie Standley is requesting that the Planning Commission Ordinance Committee consider changes to the city's zoning relative to home daycares. Her submission materials are included in the packet. Generally, she is requesting more rigorous zoning oversight.

Also included in the packet are excerpts from state statute and the city's zoning regulations relative to home daycares. As written, home daycares are a use by right in association with single family homes. Rather than increase zoning standards for home daycares, amendment language drafted by Planning & Zoning staff has been put together to clarify existing exemptions.
